# Centro 2.0 Colour Selection Guide

July 2026

# Base Colours

Colours are indicative only.

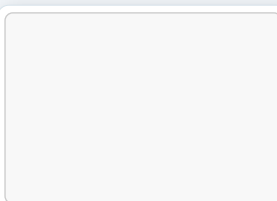

Final print will vary due to unique layering of our proprietary print process. Metal work powder coat colouring will also vary.

Please reference to physical colour swatch samples.

All metal work can only have base colours. Stickers of patterns maybe available for certain metal work areas such as armrest post or suspension arms. Please contact us for more details.

# Examples

# Customisations

**The Centro 2.0 look is yours to design—customisation options are virtually unlimited.**  
Have an idea or a custom combination in mind? Get in contact with your local distributor.

# What can be customised?

⚠ Drive Wheel Cover (Section 7) and Drive Wheel Colour upgrade (Section 8) are mutually exclusive — select one only.

Contact your local distributor for  
further information.
